

CV Prof. Herbert Gottweis, Department of Political Science, University of Vienna (Department of Political Science) and Life Science Governance Institute, Vienna.

Herbert Gottweis, born 1958, is professor at the department of Political Sciences since 1998. He also directs the Life Science Governance Research Platform at the University of Vienna (<http://www.univie.ac.at/LSG/intro.htm>)

He gained his Ph.D. from the University of Vienna (1984), was a visiting graduate student at the University of Rochester (1983/83), Assistant and Lecturer at the political science department, University of Salzburg (1985-1997), visiting research fellow (supported by a FWF Erwin Schrödinger Stipend) at the Centre of European Studies, Harvard University (1989/90), visiting research fellow (supported by the Andrew Mellon Foundation) at MIT's program in Science, Technology, and Society (1992/93), assistant professor at the Department of Science and Technology Studies, Cornell University (1993-95), visiting professor, Department of Social Studies, Hong Kong University of Science and Technology (1997) and visiting Professor at the Australian School of Environmental Studies, Griffith University (2004). Since 2005 he is also vice-president of the Austrian Research Fund (FWF).

Gottweis is the coordinator of the PAGANINI ("Participatory Governance and Institutional Innovation") project (2004-2007) funded as a STREP under the 6th EU Framework program and he also is partner in two other 6th EU Framework programme projects (BIONET, a China-EU network on ethical governance in bio-medical research (2006-2008) and GENBanC (2006-2008), a project on biobank governance. Gottweis directed the project "Transforming Health Policy: Biobanks, Pharmacogenetics/ Pharmacogenomics, and the Governance of Bio-medical Research" (2004-2006), and he co-directs the project "Genes without Borders" (2006-2007), a project on transnational genomics governance, both funded by the Austrian (Begleitforschungs-) ELSA GEN-AU program.

Among his book publications are Gottweis, H/Petersen A (2007), *Biobank Governance in Comparison* (London: Routledge)Gottweis, H. et al. (2004), *Verwaltete Körper: Strategien der Gesundheitspolitik im internationalen Vergleich (Administred Bodies: Health Policy Strategies in International Comparison)* . (Wien/Weimar: Böhlau Verlag, 2004). Gottweis, H., (1998), *Governing Molecules. The Discursive Politics of Genetic Engineering in Europe and in the United States* (Cambridge, Mass.: MIT Press).
